➤ **EDUCATION**

2006 Medical doctor degree (MD), June 2006, Université Catholique de Louvain, Belgium  
06/2013 Fellow of the European Board of Urology (FEBU)  
09/2015 PhD in Medicine: New insights in Congenital penile malformations  
06/2016 Fellow of the European Society for Pediatric Urology (FEAPU)

➤ **CURRENT AND PREVIOUS POSITION(S)**

2013- Staff member in the Department of Urology, Ghent university Hospital  
2018- ZAP Pediatric urology Ghent University Hospital

➤ **FELLOWSHIPS AND AWARDS**

2014 **Clinical fellow**, Leeds children's hospital (pediatric Surgery), EAU clinical visit grant  
2015 **Research fellow**, Sisters of the Charity Hospital, Linz, Austria, EAU research grant  
2010 Prix Wallon interhospitalier de la **meilleure présentation scientifique**  
2012 AUA Best Poster  
2012 Astellas Award  
2014 ESPU Prize, **best oral presentation**  
2014 ESPU **Best Paper**  
2014 Journal of Pediatric Urology Top Ten Reviewer  
2015 **SIU Best Poster:**  
2015 Journal of Pediatric Urology **Top Ten Reviewer**  
2016 **Royal Belgian Academy of Medicine Lucien Deloyers Prize for outstanding research in surgery, 2014-2015**  
2017 Journal of Pediatric Urology **Top Ten Reviewer**  
2017 EAU **Best poster award:**  
2019 **EAU Young Academic Urologists Award 2019:** Best publication 2018  
2019 ESPU Video Presentation Award (**2nd Prize**)  
2020 Journal of Pediatric Urology **Top 10 Reviewer 2020**  
2021 Journal of Pediatric Urology: **club of the 100 or more reviews, 2021.**  
2021 Journal of Pediatric Urology **Top 10 Reviewer 2021**  
2022 **EAU Best Poster award, Amsterdam 2022:** Best poster presented by a YAU.  
2022 **ESPU Best Video prize 2022: First prize**  
2022 **ESPU Best Video prize 2022: 2d prize**

➤ **TEACHING ACTIVITIES**

2015- 2022 **Guest Professor**, Artevelde Hogeschool Ghent. Topic: Urology in neonatal care  
2015- Responsible of the partim Additional competences in Urology I & II, Manama Urology  
2016-2019 Pediatric Urology Robotic Training in porcine models in ORSI Academy, Melle, Belgium.  
2018 Co-chair of the European School of Urology Hands-on Training in Minimally invasive Urology  
2018- **Professor**, Ghent University. Topics: Pediatric and reconstructive urology

2019 **Proctor** for the Sorbonne University (Paris, France) in Minimally Invasive Pediatric Urology (applying robotics on ventilated and vascularized human cadavers)

2020- Member: EAU Working Party in Pediatric Urology ( EWPU)

2020- ESU courses

2022- ESPU Educational Committee member

2022 Visiting Professor Cincinnati Children's

2023 Visiting Professor Indianapolis Riley's Clinic

➤ **ORGANISATION OF SCIENTIFIC MEETINGS (if applicable)**

10/2016 ORSI robotic training school, Belgium: Pediatric Urology robotic-assisted surgery: Hands-on dry-and wet-lab on porcine models; a three days course for *beginners*.

09/2016 Ghent Pediatric Urology Day (Het Pand): Focus on congenital penile malformations

10/2017 ORSI robotic training school, Belgium: Pediatric Urology robotic-assisted surgery: Hands-on dry-and wet-lab on porcine models; a three days course for *advanced surgeons*.

05/2018 ORSI robotic training school, Belgium: Pediatric Urology robotic-assisted surgery: Hands-on dry-and wet-lab on porcine models; a two days course for *beginners*.

10/2018 ORSI robotic training school, Belgium: Pediatric Urology robotic-assisted surgery: Hands-on dry-and wet-lab on porcine models; a two days course for *advanced surgeons*

11/2018 ORSI robotic training school, Belgium : Pediatric Urology robotic-assisted surgery: Hands-on dry-and wet-lab on porcine models; a two days course for *beginners*.

12/2018 BAU Ter Hulpen (Belgian Association of Urology) : Annual national meeting

03/2019 EAU Barcelona: European School of Urology (ESU) Hands-on-training course in minimally invasive pediatric urology

04/2019 ORSI robotic training school, Belgium: Pediatric Urology robotic-assisted surgery: Hands-on dry-and wet-lab on porcine models; a two days course for *beginners*

09/2019 ERUS Lisbon: ESU course on Reconstructive and pediatric robotic urology

10/2019 Scientific Summits 2019 Durbuy, Belgium: Pediatric Session organization

12/2020: BAU (Belgian Association of Urology) Brussels: Annual national meeting (Virtual congress due to COVID pandemics)

10/2021 SFUPA virtual congress

12/2021: BAU (Belgian Association of Urology) Antwerp

06/2022: ESPU (European Society for Pediatric Urology) Ghent

06/2022 ESPU Ghent: ESPU course on intravesical injection of Bulking agents (Deflux) : a wet-lab hands-on course.

06/2022 Elaut Prijs Maria Middelaes

08/2022 BAU (Belgian Association of Urology) Brussels

10/2022 SFUPA (Société Francophone d'Urologie Pédiatrique et de l'Adolescent) St-Etienne

06/2023 Elaut Prijs Antwerpen Zoo

09/2023 SFUPA Poitiers

12/2023 BAU Antwerp

➤ **MEMBERSHIPS OF SCIENTIFIC SOCIETIES (if applicable)**

2014 Co-founder of ESPU Young Pediatric Urologists club ( ESPU YPUC)

2014- 2019 Young Academic Urologists (YAU) – Pediatric Section

2015-2017 President of ESPU YPUC

2017-2019 Past president ESPU YPUC

2017-2019 Société belge d'Urologie (SBU): Board member responsible for public relations

2019-2021 Société Belge d'Urologie (SBU): Board member for Public relations

2021-2023 Société Belge d'Urologie (SBU) : Board Member : President

2023-2025 Société Belge d'Urologie (SBU) : Board Member

2021-2023 Begische Vereniging Urologie (BVU) : Adademische Secretaris

2019-2021 Société Français d'Urologie Pédiatrique et de l'Adolescent (SFUPA) (Board member)

2021-2025 Société Français d'Urologie Pédiatrique et de l'Adolescent (SFUPA) : General Secretary
